

Asset Documents

📅 Wed, Jan 17, 2024 📁 [Asset Sub Menu](#)

Against each type of asset there is the ability to upload documents. These could be things such as User manuals, parts lists, certificates etc. The documents are all held in one place against the asset and can be accessed as and when required as long as the User has been granted access to do so. For more information on uploading documents, see the [Add/Edit/View Documents](#) page.
