📅 Wed, Jan 17, 2024 📁 [Resource Sub Menus](#)

Resources may sometimes need to/be required to upload documents, such as terms and conditions or performance reviews. These can be held against the Resource in the system and accessed at any time (when needed and if the User has the correct permissions). To upload documents against Resources, click the "Add/Edit/View Documents" buttons. For more information on uploading documents, see the [Add/Edit/View Documents](#) page.
