# List Work Orders Marked for Audit

After Work Orders have been marked to be audited, the User can view all these Work Orders through the Audit module using the "List Work Orders Marked for Audit" button. The Work Orders will then be displayed in list format along with the date they were completed and the associated Audit Type(s).

Work Order Nº	Type of Work Order	Building	Building Nº	Equipment/Service Type	Status	Status Description	Completed Date	Audit Type(s)
