

# Accessing the Application Introduction

Wed, Jan 17, 2024 ■ Accessing the Application

## About the Application

The Application is accessed using a user name and password combination. The strength of the password is determined by the Person's profile.

After logging into the Application, the System module is displayed. This is what the System module looks like:

[Logging into Ostar](#)

[Ostar Main Menu](#)

[Ostar Logo Menu](#)

[Changing Your Password](#)

[Connection Test](#)

[Username/Password Reminder](#)

[Logging Off/Exiting Ostar](#)

[Email Section](#)
