Remove Resource

Wed, Jan 17, 2024 SRA Actions

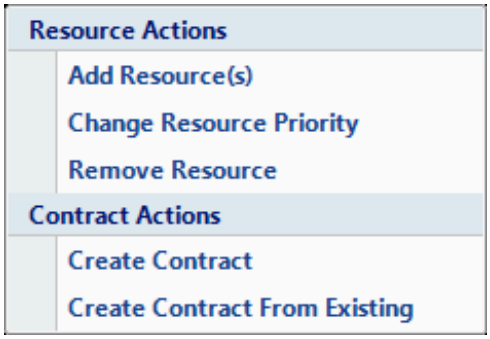

The User may want to remove a resource from an SRA. This can be done in the following way:

1. From the Resource tab on the SRA, highlight the Resource to be removed by single clicking.

2. Click on the Actions button.

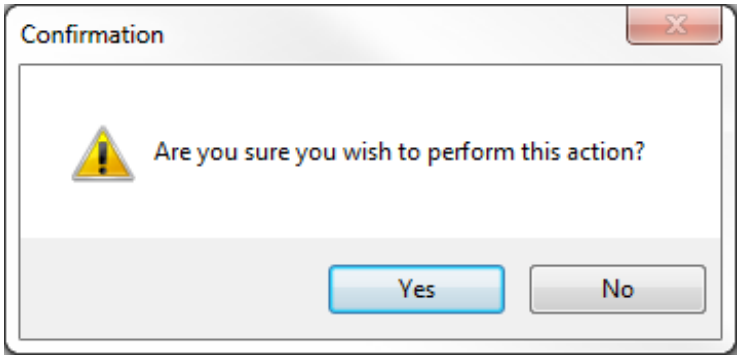

3. This menu will be displayed:

4. Click on the Remove Resource menu option.

5. This message will be displayed:

6. Clicking on Yes will remove the Resource from this SRA. Please note if a Contract has already been created this functionality will be disabled.

7. Clicking on No will take the User back to the previous screen.
