SRA List Screen

Wed, Jan 17, 2024 Searching for an SRA

1. Upon clicking OK a list of all SRA's matching the search criteria entered will be displayed (if the list is too big the User may need to define their search criteria further).

2. Upon location of the SRA to view/edit the User can either highlight it and click on the next button or simply double clicking will take them to the detail page of the SRA. From here the User can perform various SRA Actions.
