2. Click on the Actions button on the Buildings tab.

Buildings

3. This menu will be displayed:

Add Building(s)					
Bulk Add Buildings					
Change Building					
Remove Building					
Move Building					

4. Click on the Change Building menu option (this functionality can also be accessed by doubleclicking on the Building). This window will then open:

Actions

Date Range				
Start Date	01/06/2012			
End Date	31 May 2013			
		OK	Cancel	

5. Amend the dates where applicable. Clicking Cancel will take the User back to the previous screen. Clicking on OK when there are no PPM's generated will make the changes to the Building specified.

Note: Any Building dates that differ to the contract period dates will be displayed in green.

6. Clicking on OK when there are already PPM's generated will bring back a list of Affected Work Orders.

7. Once the User has decided what to do with any work orders generated (if applicable), the new date range will be applied.

Resource to Allocate
