

Contracts & SRAs Introduction

Wed, Jan 17, 2024 Contracts & SRAs

About the Contracts & SRAs Module

This is the area where it is possible to set-up an SRA and Contract using Resources already set up in the system.

This is what the Contracts module looks like:

Please see the separate [Contracts](#) and [SRAs](#) pages further down for more information.

[SRAs - Scope & Resource Allocation](#)
[Contracts](#)
