

Quick Search Work Order

📅 Wed, Jan 17, 2024 📁 [Viewing a Work Order](#)

If the number of the Work Order to view is known, use the Quick Search Work Order to go directly to the Work Order.

1. Enter the Work Order number and click "OK"

The screenshot shows a software dialog box titled "Work Order Search". Inside the dialog, there is a label "Work Order Number" followed by a text input field. The input field contains the number "5642683". To the right of the input field is a small vertical scroll bar. At the bottom of the dialog, there are two buttons: "OK" and "Cancel".

2. The User will now be able to see the Work Order Detail screen of the Work Order entered into the Quick Search.
