

Work Order Building Information

The Work Order Information section shows the main details which make up this Work Order. On the main Work Order block a "Building Info" link is present. This link, when clicked, will display a new window containing Asbestos and Availability details.

1. Clicking on the "Building Info" link:

WO: 1572386

0.04 - Pending resource allocation

Refresh

Building Info

2. The following screen will appear:
