Make CIS

Wed, Jan 17, 2024 Agent Actions - Reactive, Quote, PPM, Audit

This is a specific action to identify the work associated to the Work Order as Construction Industry Scheme registered. This can only be used if the Resource is already registered as CIS registered. If unsure of the requirements and rules associated to CIS work, please speak to the company Finance Department or visit www.hmrc.gov.uk for further advice on how to use this option within UK government guidelines.
Once selected, this will show in the Helpdesk Work Page as an Event.
