

# Submit - Purchasing

📅 Wed, Jan 17, 2024    📁 [Agent Actions - Purchasing](#)

Once all of the creation detail for the Work Order is entered, the Supplier and Delivery Date have been set, the Work Order can then be submitted to the Supplier for them to [Acknowledge](#) and [Dispatch](#). You can submit a Work Order via the following steps:

1. From the Agent Action menu click on the Submit option.
2. Select the delivery date by choosing from the calendar when clicking on the drop down arrow, or by typing this in manually. This date will be applied to all items in the list.

Name	Description	Code	Delivery Date
Purchase Item 2	Description 2		25/09/2014
Purchase Item 1	Description 1		25/09/2014

3. If the items require different delivery dates, this can be done by clicking on the individual lines and selecting the delivery dates from the calendar in the same ways as above.
