

Building Sub Menus Introduction

📅 Wed, Jan 17, 2024 📁 [Building Sub Menus](#)

By clicking on each of the action menu buttons on the menu bar, the User can add different information about the Building, such as:

[Create New Building Event Sub Menu](#)

[Building Event List](#)

[Building Availability](#)

[Noise Restrictions](#)

[Locations Mapping](#)

[View Asbestos at Building](#)

[Building Documents](#)

[PTW Books](#)

[Building Custom Data](#)

[Edit ATAS Data](#)

[Remove From Contracts](#)
