

Payment Terms

Wed, Jan 17, 2024 [Resource](#)

“Payment Terms” are Resource specific data that allows a Resource to display in the system their terms of payment. The Payment Terms screen allows the User to configure the Payment Terms that will be used when creating a Resource. To view “Payment Terms”, click the “Payment Terms” button. Payment Terms are Management Company specific.

1. This is the Payment Terms screen. Here, the desired Payment Terms can be ticked and unticked depending on which types need to be available throughout the system. As with many other parts of the application, it's possible to add items and edit items within the list using the "Add" and "Edit" buttons.
