Providing an ETA

🛗 Fri, Jan 19, 2024 🛛 🖿 Job Detail Actions

Resources may be required to provide an estimate of when they will arrive to perform the job they have been assigned. This can be done using the "Provide ETA" button.

1. On the Job Detail screen, select the "Provide ETA" button to display the Provide ETA pop up.

2. Select the date and time of the ETA either by using the "Calendar" button or by entering it manually in the "ETA" field. Click the "Save" button to update the job with the ETA
