Some jobs may information upload to them via a document. This could be documents on the Building, the quote selected or even the job itself and it may be a requirement to view these documents. This can be done using the "View Documents" button.

1. On the Job Detail screen, select the "View Documents" button to display any documents relating to the job.

2. The list of documents displayed are all documents related to the job. This includes Building documents, quotes etc. Each document can be viewed by selecting the "View" button next to the relevant document. By default, this screen shows all documents related to the job but these can hidden by clicking the "(Hide related documents)" button. Once clicked this displays only documents uploaded directly to the job.
